A complete [menu](#) of Aria from Toronto featuring all 52 meals and drinks can be found here on the menu. Aria offers authentic Italian fine dining in a modern urban setting. Owned by the renowned Guido Saldini and Elena Morelli, the minds behind Toronto's esteemed Noce Restaurant, Aria ensures quality and excellence in every dish. Executive Chef Eron Novalski meticulously sources the freshest ingredients to create elegantly simple dishes. The restaurant's name, meaning "air" in Italian, pays homage to opera - the quintessential Italian art form. With a stunning 35 foot ceiling and a prime location next to the Air Canada Centre and Maple Leaf Square, Aria offers a sophisticated dining experience. In addition to a dinner menu, Aria also provides a full lunch menu and a separate menu for the bar area. With a capacity to seat 130 guests, Aria is perfect for private parties and events. Let Aria bring a taste of Italian cuisine, design, and culture to your next business lunch, post-work drinks, game or concert at the ACC, or special night out.
