THE LANEWAY MENU

CSI Club Southport has come a long way from the Tin Shed it once was. Rumor has it, it all began under an old Fig Tree in Scarborough St. Each Sunday a group of twenty or so Southport locals got together for a few beers and the dream was born to form their own Trade Union Club here in Southport. Thanks to those founding members determination and hard work In 1967 The Tin Shed became a reality.

Tin Shed lager has been specially brewed in honor of those hard working-class men and women of Southport who met under the Fig Tree each Sunday with a dream of having a Club to call their own.
