

WELCOME TO

# THE RED LION

## BREWERY TAP

We are fortunate enough to sit right in the middle of some outstanding countryside with fantastic producers & suppliers on our doorstep, we do our best to source locally & make the most of all they have to offer.

Don't forget complimentary bar snacks from 5pm 'til gone on weekdays & the star of the show, Joule's sausage rolls – courtesy of the Joule's happy pigs at Fordhall Farm every Friday.

FOOD IS AVAILABLE FROM 12-9PM (SUNDAY 12-8PM)

We have paired some of our dishes with the Joule's Ale that best compliment the flavours & below are tasting notes to help you decide for the other dishes.

Joule's Pale Ale

Clear, crisp & perfectly balanced describes our flagship bitter.

4.1% ABV

Joule's Slumbering Monk

Rich, copper ale with a real depth of flavour, created using a careful blend of English ingredients.

4.5% ABV

Joule's Pure Blonde

Light, refreshing & subtle, a perfectly balanced blonde ale.

3.8% ABV

Joule's Green Monkey\*

Our English craft lager Green Monkey is unpasteurised which allows the beer to keep a crackling flavour.
