## ALLERGEN & DIETARY INFORMATION

Our easy to use allergen guide is available on the food section of our website. We keep it online so that it's always as up to date as possible and you can filter out dishes containing any of the 14 major allergens. If you can't access the internet, we will be happy to provide you with the information. Our food and drinks are prepared in food areas where cross contamination may occur and our menu descriptions do not include all ingredients. If you have any questions, allergies or intolerances, please let us know before ordering.

(v) = made with vegetarian ingredients, (ve) = made with vegan ingredients, however some of our preparation and cooking methods could affect this. Dishes containing fish or hand-pulled chicken may contain small bones. Some of our dishes contain alcohol. Weights stated are approximate uncooked weights. All items are subject to availability. The nutritional information for our menu is provided as a guide. It is calculated using average values and is based on a typical serving size. \*Folate and Vitamin A contribute to the normal function of the immune system. Vitamin B6 contributes to the regulation of hormonal activity. Vitamin C contributes to normal psychological function. If you require more information, please ask your server. Please note an optional 10% service charge will be added to the bill for tables of 6 or more.
